

# 2022

## YEAR IN REVIEW

*"2022 was a big year for ActiveScore as we continued our work with city planners, developers, owners, municipal governments and tenants inspiring active travel worldwide. Highlights included the rapid growth of our AP programme and the eight new markets we entered in Europe, North America, Asia, and Australia."*

James Nash,  
ActiveScore Co-founder

### AP Programme

*"We launched our AP programme back in April and it's grown beyond our wildest dreams. We now have members in more than thirty countries – a network of 450 Active Travel advocates that's expanding every week."*

*"As we nurture the community and develop the AP programme, we're seeing new interest from places that don't yet have ActiveScore-certified buildings. It's clear that the programme is performing incredibly well as a growth strategy, with over 100 APs qualifying in December 2022 alone."*

Alex Georgiadis, Head of Consultancy

### Certified Developments

The number of certified buildings continues to grow, with 84 new ratings achieved in 2022 (+51% year-on-year growth).

*"2023 is looking very bright indeed. As we continue our mission to get people moving, we look forward to growing ActiveScore with the help of our clients, partners and the ActiveScore AP community. As ever, if you're interested in having your building assessed or have any other queries, please don't hesitate to get in touch."*
